Tax Deductible Gift Advice

"Special Religious Education in Schools" Fund

Research shows that if a person does not receive Jesus as a child, the chances are they never will. It's a fact that 60-80% of all commitments to the gospel are made by children, yet only 15% of mission giving goes to children's work. Please partner with us as we take up this strategic opportunity to bring hope to the children in our government schools who most likely would never get the opportunity to hear about and respond to Jesus, except for school Scripture.
